Freshman Orientation

Even after four successful years of high school, for most students, college is the first day of school all over again. Freshmen orientation is specifically designed to address the transition into college life for the first-time college student. During orientation, first year students have the opportunity to meet and develop rapport with current Pacific students, faculty and staff, while also learning about all aspects of campus life. New students also learn about academic majors, expectations, participate in advising, and complete registration for fall classes as a part of the orientation experience.

Transfer Orientation

Transfer orientation is designed to recognize and build on the previous college experiences of transfer students, while at the same time introducing them to the unique aspects of college life at Pacific. Transfer students participate in an orientation program that includes academic advising, course registration and information about how to quickly become engaged in Pacific's academic and campus culture. During Transfer orientation, students have the opportunity to interact with many faculty, students and staff that may play a key role in their college career and time at Pacific.

Family Orientation

Family members who attend Family Orientation leave with an understanding of Pacific culture, knowledge about academic requirements and expectations, and information about the services and opportunities available to their student. Family members who participate in orientation can also expect to enjoy Pacific hospitality and the company of other families during their time on campus.

Week of Welcome

Week of Welcome (WOW) serves as a kick off to the academic year at Pacific. For all new students, the week is designed to give an opportunity to transition to Pacific, creating a bond with the University and the surrounding community. During WOW all new students will participate in a variety of activities to help prepare them for success at Pacific. The week includes New Student Convocation and an all campus BBQ. For returning students, the week provides time to reconnect with friends, faculty and staff and prepare for the rigors of the coming year.

New Student Convocation

New Student Convocation serves as a formal welcome of all new students into the academic life of the University. During the ceremony, Pacific's values of scholarship, leadership, and citizenship are introduced and highlighted. New Student Convocation is also intended to be a celebration of university life and a formal acknowledgement of the university's commitment to support students in the achievement of their educational goals – both inside and outside the classroom.

Student Health Services

Student Health Services (SHS) is located in Halbert Hall on the Sacramento campus. Services are provided on an appointment basis; walk-in visits are seen case-by-case, determined by the urgency of the presenting condition. Use the portal MyHealth@Pacific (<https://healthservices.pacific.edu/>) to book a visit. Visit the health services’ website (<http://www.pacific.edu/healthservices/>) for more information. After hours or on the weekends, students can access a contracted Nurse Advice Line at 209.946.2315 option 4. Students enrolled in the Student Health Insurance Plan (SHIP) also have access to 24/7 telemedicine services through LiveHealth Online. Download the app in the App Store or on Google Play.

The Cowell Wellness Center Fee allows students to be seen without paying an office visit or co-pay, regardless of health insurance status. Further costs may be incurred with the purchase of medication, immunizations, procedures, diagnostic testing, or referrals to off-campus health care providers. Students must pay these additional costs associated with their care at the time of service and, in some cases, may submit an itemized receipt for reimbursement to their health insurance plans.

The comprehensive SHS team for the three campuses consists of a Physician, Nurse Practitioners, Medical Assistants, Phlebotomists, Insurance Coordinator, Immunization Coordinator, and a Registered Dietitian. Health care delivery and medical record management are protected by privacy and confidentiality regulations.

SHS provides a wide variety of medical services, including the management of common health problems such as acute minor illnesses and injuries and preventive care including nutrition services, gynecology, contraceptive maintenance, STI testing, immunizations, and routine physicals. Several categories of medication are provided directly through SHS; otherwise, prescriptions are filled at local pharmacies. Laboratory services include limited in-house testing and full service processing through local labs.

Management of chronic conditions is provided on a case-by-case basis, depending on the complexity of the situation. Typically, students are referred to local specialists for this care. Hospitalization and emergency treatment for life-threatening conditions are not managed at SHS. In those circumstances, care is referred to a local hospital. Staff may arrange for ambulance transport as indicated.

Students are required to meet the immunization and TB clearance as a part of university enrollment requirements. Students should upload documents through the medical portal MyHealth@Pacific (<https://healthservices.pacific.edu/>). The fall deadline is 10/15 and the spring deadline is 2/15 each year. Students must check their status and respond to communication through the portal. Failure to become compliant with the immunization policy will result in a registration hold and, in some instances, a late fee.

Health Insurance

Health insurance is a mandatory non-academic condition for enrollment. To ensure that all students have adequate health care coverage, including ongoing primary and specialty care, and to satisfy the mandatory health insurance requirement, Pacific automatically enrolls all registered students listed below into the Anthem Blue Cross of CA PPO, Student Health Insurance Plan (SHIP).

Each term that a qualified student is enrolled in classes at Pacific, the student account is automatically charged the fee for SHIP and you will be enrolled automatically*. The fee will appear on your e-bill statement as a separate charge.

Qualified students who have their own comprehensive health insurance coverage and do not wish to be enrolled in Anthem Blue Cross PPO may apply to waive out of the Student Health Insurance Plan (SHIP).

Student Conduct and Community Standards

The Office of Student Conduct and Community Standards manages the student conduct process for students, including but not limited to, undergraduate and graduate students on Pacific's three campuses. In addition to the Code of Conduct, specific schools and programs may have policies and procedures that apply to students enrolled in a particular program of study. Pacific has developed policies and procedures to clarify the expectations and standards for students. Each student is responsible for knowing and adhering to all University policies and procedures. These policies are explicitly outlined in the Tiger Lore Student Handbook and on the web site at <https://www.pacific.edu/student-life/student-conduct> (<https://www.pacific.edu/student-life/student-conduct/>) Policies and procedures specific to a course of study are available through the respective school or program.

Honor Code

The Honor Code at the University of the Pacific calls upon each student to exhibit a high degree of maturity, responsibility, and personal integrity. Students are expected to:

- 1) Act honestly in all matters;
- 2) Actively encourage academic integrity;

Please refer to <https://www.pacific.edu/student-life/student-conduct> (<https://www.pacific.edu/student-life/student-conduct/>) for additional information and definitions.

Campus Behavior Standards

Rather than publish in this catalog a complete and detailed code of the laws, rules, and regulations that students are required to follow, the University declares its intention to uphold all applicable federal, state, and municipal laws and expects all students to abide by the Student Code of Conduct and university policies. At the time of admission, each student

agrees to follow such standards. Accordingly, any conduct not consistent with responsible and lawful behavior may be considered cause for the University to take appropriate administrative, disciplinary, or legal action.

In addition, the University acknowledges and actively upholds the adult status of each student with all the rights pertaining thereto and, in accordance with that status, considers each student responsible for their actions. With regard to conduct, "student" is defined as full and part-time undergraduate, professional, and graduate students from the time of application for admission to the time of the conferral of a degree and includes periods prior to the start of classes, after classes have ended, between terms, and when a student is not officially enrolled but has an ongoing relationship with Pacific.

University policies and regulations are published in the Student Code of Conduct and available online <https://www.pacific.edu/student-life/student-conduct> (<https://www.pacific.edu/student-life/student-conduct/>).
