

# DUAL DEGREE PROGRAMS

---

McGeorge has two dual degree programs, in which – with advance approval – graduate credit earned in one program is accepted toward the degree from the other program.

## JD/MPP Programs

A Master of Public Policy (MPP) degree, also offered through McGeorge School of Law, may be earned while pursuing the JD degree. The dual JD-MPP requires a minimum total of 115 units, typically adding a fourth year of enrollment for a Day Division student or a fifth year of enrollment for an Evening Division student. Students pursuing the JD/MPP Dual Degree take only JD courses in their first year of enrollment and then both JD and PUB courses in subsequent years consistent with academic advising for the two degrees. The GPA requirements for graduation of the two degrees must be met: A minimum of 2.33 for the JD and a minimum of 3.0 for the MPP calculated on the basis of LAW courses taken toward the JD and on the basis of PUB courses taken toward the MPP.

## Admission

Students must be admitted separately to the McGeorge School of Law JD Program and to the program that will confer the Master's degree. Admittance to McGeorge's JD Program does not guarantee admission into other degree programs, even those housed within the McGeorge School of Law.

## Approval

JD students who want to pursue a dual degree should consult with the Assistant Dean for Student Affairs regarding their planned course of study. You can schedule an appointment with Dean Carr by contacting the Office of Student Affairs at [sacstudentaffairs@pacific.edu](mailto:sacstudentaffairs@pacific.edu) or 916.739.7089. They should also schedule an appointment for the Program Director of the Master's Degree program of interest at the earliest stages of planning. Students in the Directed Study Program may not pursue the JD/MPP dual degree without approval of both the Assistant Dean for Student Affairs and the MPP Program Director.

## Transfer of Credit

To be accepted by McGeorge as elective credit toward the JD unit requirements, the credit (1) must be for graduate level courses, and (2) must have been earned concurrently between initial matriculation and graduation from the McGeorge JD program. An official transcript of completed course work must be furnished to the Registrar; only the number of units (not grades) accepted are reflected on the McGeorge JD transcript.

## JD Required Courses

88 units are required for the JD degree. 9 units of elective credit may be accepted for PUB courses. Please refer to the Juris Doctor section of this catalog for a full listing of JD required courses.

## MPP Required Courses

48 units are required for the MPP degree. Please refer to the Master of Public Policy section of this catalog for a full listing of MPP required courses.

## MPA Required Courses

30 units are required for the MPA degree. Please refer to the Master of Public Administration section of this catalog for a full listing of MPA required courses.

## Other Programs

Occasionally, a JD student may be interested in pursuing a Master's degree in an area in which a dual degree program is not available, such as history, international relations, or social work. The student should consult with the Assistant Dean for Student Affairs to determine if any credit for the Master's program coursework would be accepted by McGeorge. Upon approval of a written proposal, up to 9 units of credit may be accepted toward the JD degree.

**Blended, 3+2 Programs, for a BA or BS from the University of the Pacific and an MPP are described in the catalog sections for those degrees.**
