Multiple SubjectCredentials
Single SubjectCredentials
Special Education/Education SpecialistCredentials
Single Subject Credentials are offered in conjunction with other University academic units.

Diversity
Visual and Performing Arts
Written Language
1. Students will be able to compose a variety of texts in which they demonstrate their ability to explain complex ideas clearly as well as coherently communicate important information.

Quantitative Analysis
1. Students will be able to choose the appropriate tools to analyze and use quantitative data to define needs, set goals, plan interventions, and evaluate progress. Substantiate decisions by making appropriate and effective graphs to communicate and visualize quantitative information.

History
1. Students will create a diagnostic assessment using backward design.
2. Students will create a performance assessment for fourth grade California history.
3. Students will create a direct instruction lesson plan based on digital media archives on the Delta and complete the Elementary History Task related to edTPA.

Science
1. Students will be able to plan and enact appropriate science instruction that reflects the contributions of Vygotsky, Piaget and other cognitive and developmental psychologists. Accurately judge the appropriateness of particular science content for students and assist in modifying such content for those students. Modify lesson plans to more accurately and explicitly address the nature of science.

Bachelor of Arts in Liberal Studies Major
Diversified Liberal Studies
Students must complete a minimum of 120 units with a Pacific cumulative and major/program grade point average of 2.0 in order to earn the bachelor of arts in liberal studies degree with a major in diversified. (Please note – to concurrently earn a Multiple Subject and/or Education Specialist: Mild/Moderate and/or Moderate/Severe Disabilities Preliminary credential, the student should earn a 2.5 GPA in all courses that lead to a teaching credential.)

The program of study includes the following:

I. Diversity Requirement
Students must complete one diversity course (3-4 units)

Note: 1) Transfer students with 28 units or more transfer units prior to fall 2011 are encouraged but not required to complete a designated course prior to graduation. 2) Courses may be used also to meet general education and/or major/minor requirements.

II. Fundamental Skills
Students must demonstrate competence in:

Writing
Quantitative analysis

III. Language, Literature, Communication

X. Concentration “Depth of Study” Courses
Three to four courses in one of the following recommended concentrations: 12 units
  Teaching English to Speakers of Other Languages
  Mathematics
  Sciences
  Special Education
  Other areas: History and Social Sciences, Visual/Performing Arts, Physical Education; English Language and Literature; Spanish: or a Specially Designed concentration are available in consultation with an advisor in the Diversified Major.

Note: 1) Students must complete successfully Pacific Seminar 3. 2) Courses in the major and in credentialing must be taken for a letter grade. 3) No more than eight units of extension coursework from Pacific may count towards the degree. 4) Limitations on ACTY courses also apply.

XI. Prerequisite Teacher Education Courses (Required for the Degree in the Traditional Degree Program)
EDUC 130 Technology Enhanced Learning Environments 2
EDUC 140 Transformational Teaching and Learning 4
EDUC 141 Transformational Teaching and Learning Practicum 2

XII. Professional Teacher Preparation Courses – Multiple Subject (Required for a Preliminary Multiple Subject Credential)*
EDUC 150 Teaching and Assessment 4
EDUC 153 Teaching Science, Technology, Engineering, and Mathematics 4
EDUC 160 Productive Learning Environments for Diverse Classrooms 2-3
or SPED 195E Positive Behavioral Support in the Classroom 4
EDUC 161 Literacy Development (Multiple Subject) 4
EDUC 163 Teaching English Learners 4

* Students do not need to complete all teaching credential courses or requirements for the Multiple Subject and/or Education Specialist: Mild/Moderate and/or Moderate/Severe Disabilities Preliminary credential to earn the BA in Liberal Studies.

XIII. Directed Teaching:
EDUC 170 Professional Practice 2-10
EDUC 172 Professional Practice Seminar 2-10
SPED 125X Teaching Exceptional Learners 2

Note: Consult with Program Advisor for enrollment assistance regarding student teaching as an undergraduate student.

In addition to meeting the above degree requirements, a student who seeks a Multiple Subject Preliminary Requirement must also:
  • Meet the Basic Skills Requirement
  • Pass the California Subject Exam For Teachers (CSET-MS) prior to Student Teaching or Internship
  • Pass the Reading Instruction Competency Assessment (RICA) prior to applying for the credential
  • Pass all program requirements which includes maintaining a 2.5 GPA, credential candidacy, and meeting standards on all embedded signature assignments (implementation in the electronic portfolio on TaskStream)
  • Demonstrate his/her competence in relationship to thirteen Teaching Performance Expectations and through the completion of all requirements in edTPA, an approved Teacher Performance Assessment
  • Demonstrate his/her competence in professional practice (student teaching/ internship) as assessed by University Supervisor and their cooperating teacher(s) in their student teaching and/or internship placement(s),
  • Completion of the United States Constitution requirement.
  • Completion of CPR Certification Infant, Child and Adult level.
  • Complete an application for the SB 2042 Multiple Subject Preliminary Credential at the Office of the Credential Analyst.

Under SB 2042 legislation, the holder of a Multiple Subject Preliminary Credential must complete requirements for a Multiple Subject Clear Credential through a CTC-approved Induction Program provided by a school district or some California colleges or universities.

For more information see Benerd staff in the Hive, Room 111 of the School of Education Building. Students are required to meet with a program advisor for registration each semester as they progress through the degree program.

Bachelor of Arts in Liberal Studies Major

Course Requirements for the Pedagogy Major (for international students)

1. University general education requirements with emphasis on selecting courses for intercultural understanding (30 units) must be completed. Only three general education courses may be taken.
on a pass/no credit basis, and not more than one course in each of the three main categories may be taken on a pass/no credit basis. Students must complete Pacific Seminars 1, 2 and 3 and two courses in each of the three main categories in general education. If a Pacific Seminar 1 or 2 course is waived, or not passed, a course from an appropriate category for general education is required.

2. Development of proficiency in the English language through intensive English programs, as needed, to pass proficiency examinations (24 units or equivalent) is required.

3. Professional education – A minimum of 24 units is required. The student’s advisor assists him/her to determine appropriate courses.

4. Electives (3 units minimum) are completed from a list of courses available in the Teacher Education Program/Unit.

5. Concentration Area: Students complete a Concentration Area in one of the following options: (24 units)
   a. Second Language Pedagogy (for international students who are preparing to teach English as a foreign language): courses in language structure, language development and second language acquisition.
   b. Language and Culture Pedagogy (for international students who are preparing to teach the language and culture of the United States): courses in literature of the English language, expository writing, reading and English instructional techniques, and courses providing special understanding of American culture.
   c. Technical Pedagogy (for international students who are preparing to teach classes in technical subjects): courses selected from science, mathematics, computer subjects, engineering, health and physical education, educational technology and instructional methods.
   d. Special Education Pedagogy (for international students who are preparing to teach in a specialized learning field): teaching the physically and psychologically handicapped.

6. Elective courses are completed to meet degree requirements of 124 units.

7. A grade point average of 2.0 is maintained in all professional education and concentration area courses. None of the courses in these two areas is taken on a pass/no credit basis.

**Undergraduate Preparation for a Bachelor of Arts in Liberal Studies and a Level One Education Specialist Credential**

Students in the Bachelor of Arts in Liberal Studies program in Benerd College may pursue an Education Specialist Credential, Mild/Moderate or Moderate/Severe Disabilities, Preliminary and the Diversified-Liberal Studies Major. Students complete:

- the Diversified-Liberal Studies Major described previously.
- prerequisite courses in Teacher Education Program described above (these are listed later in this section),
- the following courses in the Preliminary Education Specialist Credential:

* Units taken in the concentration also fulfill credential course requirements. Units count only once.

**IV. Directed Teaching**

SPED 198M or SPED 198S Directed Teaching: M or S Mild/Moderate Or Moderate/Severe

In addition to meeting the above degree requirements, a student who seeks an Educational Specialist Preliminary credential must also:

- Pass the Reading Instruction Competency Assessment (RICA) (see advisor for the timeline for completion of this exam.)
- Meet the Basic Skills Requirement
- Pass the CSET (see advisor for details and the timeline.)
- Completion of the United States Constitution requirement
- Pass all program requirements which includes maintaining a 2.5 GPA, credential candidacy, meeting standards on all embedded signature assignments (implementation in the electronic portfolio on TaskStream)
- Demonstrate his/her competence in relationship to Education Specialist competencies and completion of a portfolio and all
requirements in edTPA, when implemented for the Education Specialist credential(s)
• Demonstrate his/her competence in professional practice (student teaching/internship) as assessed by University Supervisor and their cooperating teacher(s) in their student teaching and/or internship placement(s)
• Completion of CPR Certification Infant, Child and Adult level
• Complete an application for the Education Specialist Level I Preliminary Credential at the Office of the Credential Analyst.

The holder of a Preliminary Education Specialist Credential must complete requirements for a Clear Credential through a CTC-approved Clear Program provided by California colleges or universities or district programs.

For more information see Benerd staff in the Hive, Room 111 of the School of Education building. Students must meet with a program advisor for registration each semester.

Prerequisite courses in Special Education:
SPED 123 The Exceptional Child 3
SPED 166 Building Family-Professional Partnerships 3

Teacher Education Prerequisite Courses:
EDUC 130 Technology Enhanced Learning Environments 2
EDUC 140 Transformational Teaching and Learning 4
EDUC 141 Transformational Teaching and Learning Practicum 2

Professional Methods Courses:
Students must complete Advancement to Teacher Education (Credential Candidacy) steps as described in the Multiple Subject description in this Catalog to enroll in the following courses:
EDUC 150/250 Teaching and Assessment 4
EDUC 161/261 Literacy Development (Multiple Subject) 4
EDUC 163/263 or EDUC 166 Teaching English Learners, Single Subject
Select one of the following:
SPED 128M/228M Advanced Programming for Students with Mild/Moderate Disabilities
SPED 128S/228S Advanced Programming for Students with Moderate/Severe Disabilities
Select one of the following:
SPED 142M/242M Curriculum and Instruction for Students with Mild/Moderate Disabilities
SPED 142S/242S Curriculum and Instruction for Students with Moderate/Severe Disabilities
SPED 131/231 Evidence Based Practices in Autism Spectrum Disorder 3
SPED 195E/295E Positive Behavioral Support in the Classroom 3

Subject matter competence (CSET) may be met with successful completion of the Diversified major or a Single Subject subject matter program or the state-approved examination(s) for the Multiple or Single Subject-subject matter content areas. State requirements for subject matter competence are subject to change. Federal, state, and school district requirements may designate subject matter examinations for level of teaching placement.

Approval for Special Education Directed Teaching:
Prior to admission to Directed Teaching, students must attend a meeting that the Educator Preparation Program Lead Special Education and the Director of Field Experiences hold to inform students about application procedures for student teaching or internship placements (STAR review). GPA requirements and minimum grade requirements in teacher preparation courses are reviewed and must be completed. The Basic Skills Requirement must be met and subject matter requirements for the credential must be completed. CPR for infant, child, and adult certification is required for a credential. Students will not be allowed to register for Directed Teaching if the Basic Skills Requirement and successful passage of the CSET examination(s) for the Multiple Subject credential, are not met. A subject matter program or passage of examinations for a Single Subject content area is allowed for the Education Specialist Credential. Students must also complete the United States Constitution requirement (See the Multiple Subject section in the Catalog.) Most school districts may require passage of the CSET-Multiple Subjects examination for employment. Single Subject examinations may also be required for employment.

Directed Teaching
SPED 198M Directed Teaching: Mild/Moderate 1-10
SPED 198S Directed Teaching: Moderate/Severe 1-10

Internship is an option for Directed Teaching for the Education Specialist Credentials. A student must have a bachelor's degree and meet all program requirements for an Internship. See the Internship section in the Catalog for requirements for Internship.

Students must complete competencies for the Education Specialist Program, pass the RICA examination, complete a professional portfolio and program and state assessments, and satisfy all program requirements for a recommendation for the Preliminary Education Specialist Credential. CPR Certification for infant, child, and adult level is required.

Minor in Teaching Professions
The Teaching Professions Minor offers undergraduates interested in pursuing a career in education a cohesive set of courses that provides them with the foundation for teaching in a variety of settings and/or pursuing related careers while continuing to build strong subject matter knowledge in their majors. The minor lays the groundwork for graduation with either a bachelor’s degree with a single subject (secondary) preliminary teaching credential or preparation for a post baccalaureate credential. Students consider how humans learn as well as the social, psychological, economic, historical, political, cultural factors that influence teaching and learning in public schools.

Students must complete a minimum of 22 units with a Pacific minor grade point average of 2.0 in order to earn the minor in teaching professions.

or EDUC 166  Teaching English Learners, Single Subject  3 Units.
EDUC 167  Adolescent Development  3 Units.

Education Courses

EDUC 010. Dean's Seminar. 1 Unit.
A basic introduction to the career of teaching and the programs and methodologies of the School of Education including educational requirements, professional orientation, career opportunities and school and university regulations.

EDUC 011. Children's Literature. 3 Units.
Students examine various genres of quality literature for children from preschool through eighth grade. Emphasis is on how books affect the growing child and on ways to develop children's appreciation and comprehension of stories as well as to extend their subject matter knowledge.

EDUC 100. Introduction to Language. 4 Units.
This course is an introduction to the central role of language in cultures and societies. Emphasis is on social and regional language variation, language and prejudice, gender and social class differences in conversation styles, the history and evolution of languages, and societal attitudes toward language and socio-political-economic influences on language use. Students gain more precision in their academic language development as they explore English grammatical structures and develop an appreciation of the work sociolinguists do through conversational analysis. As part of the University of the Pacific's general education program (1-A), this is a library intensive course. This means that students do library research, using online and other sources to meet some of the course requirements. (GE1A)

EDUC 121X . 3 Units.
This course is a general overview of stages in human development from birth to young adulthood. Topics include prominent learning and motivation theories, learner-centered principles of teaching and assessment, the characteristics of learners with exceptional needs, and individual differences among learners including English language learners. Students who are interested in Multiple Subject, Single Subject and/or Educational Specialist credentials take this course. Twenty hours of fieldwork in K-12 public schools is required. Open to all students.

EDUC 129. Seminar: Cultural Basis of Conflict in Education. 3 Units.
Analysis of cultural diversity in American classrooms. Not open to doctoral students. (ETHC)

EDUC 130. Technology Enhanced Learning Environments. 2 Units.
This course focuses on basic skills and software for creating multimedia projects, completing assignments in all education courses, and meeting the state's technology standards for teachers. All assignments in this course relate to building the structure and first section of a candidate's teacher education electronic portfolio. Thereafter, candidates add sections to the portfolio during other courses and activities in their programs of study, which includes evidence that they have met the state's technology standards. Upon graduation, the portfolios are archived in the BSE, and candidates can create a DVD of their entire portfolio or of parts they wish to use. This course is a prerequisite to Admission to Teacher Education.

EDUC 131. First and Second Language Acquisition/Linguistic Foundations. 4 Units.
This course is an introduction to first and second language development, using a compare and contrast framework. It covers theoretical perspectives in first and second language acquisition and explores the relationship between theories and practice in language learning and teaching. This course addresses pedagogical implications of various theories of second language acquisition and discusses socio-cultural factors that influence second language learning. In addition, there is particular attention given to language structure (phonology, morphology, semantics, and syntax) as it relates to the language development of native speakers of English as well as English language learners. This course includes a fieldwork component for which students work with young elementary students off campus once a week during the semester. Prerequisite: EDUC 100.

EDUC 140. Transformational Teaching and Learning. 4 Units.
This is an introductory course that explores the complex relationships within and among local, state, and national levels of public instruction. The course introduces historical, legal, and social issues that affect diverse educational settings. Topics include key movements and legal cases of prominence in American education; demographic information about learners and schools in California; home, family and school partnerships; and professional stages in teaching careers (e.g., subject matter preparation, teacher education, initial licensure, induction programs, and professional development). The course also includes an introduction to "reflective practice"; an overview of stages in human development; prominent learning and motivation theories; the characteristics of learners with exceptional needs; and individual differences among learners, which include English language learners. This course is taken by students interested in Multiple Subject, Single Subject and/or Educational Specialist credentials. It is a prerequisite to Admission to Teacher Education, but it is open to all students at the University. Fieldwork requires fingerprint review and clearance at local districts and TB clearance. There are fees for these services.

EDUC 141. Transformational Teaching and Learning Practicum. 2 Units.
This supervised practicum is taken concurrently with EDUC 140: Transformational Teaching and Learning. Students examine the community, school, and classroom contexts and how they influence the teaching and learning process. Translation of current learning theories into practice are analyzed and applied. Students interact with K – 12 students and teachers in public school settings.

EDUC 142. Visual Arts in Education. 3 Units.
This course assists students in developing an understanding of the visual arts and how they interface with children's development through age 18. The course acquaints students with Visual Arts curriculum in the K-12 classroom. A philosophical emphasis is be placed upon the interface of visual arts with children's development. The course explores such concepts and processes as aesthetic perception, creative expression, visual arts heritage and aesthetic valuing, and media and materials, suitable for children through age 18. Prerequisite: Sophomore standing. (GE2C)
EDUC 150. Teaching and Assessment. 4 Units.
This course supports reflective teaching and learner-centered principles and practices in the K-12 schools. The course focuses on state-adopted curriculum standards and frameworks in seven content fields, particularly on the content area of History/Social Science; approaches to classroom management; selection of curriculum materials at the state level; and evaluation. Topics include implementing appropriate teaching strategies for meeting the needs of students with special needs and culturally diverse learners; and using developmentally appropriate diagnostic, formative, and summative assessments to plan instruction. Technology is used to enhance curriculum design and student interaction with content knowledge. This course is taken concurrently with EDUC 153, Teaching STEM, for Multiple Subject candidates. EDUC 150 is taken by Education Specialist candidates. (EDUC 153 is not taken by Special Education candidates, unless they are planning to earn a Multiple Subject Credential.) Prerequisite: EDUC 140. Fingerprint and TB test clearance is required.

 EDUC 153. Teaching Science, Technology, Engineering, and Mathematics. 4 Units.
Methods and curriculum presented for teaching science, technology, engineering and mathematics in self-contained classrooms. Topics include state-adopted content standards and curriculum framework; essential mathematics, technology, engineering, life, physical, and earth science themes, concepts, and skills; instructional planning and diverse and appropriate teaching strategies for meeting the needs of diverse learners, including mainstreamed and culturally diverse learners; needs of diverse learners, including mainstreamed and culturally diverse learners; principles and practices of evaluation of students’ learning. Fieldwork is required. Prerequisite: EDUC 140.

 EDUC 154. Productive Learning Environments for Diverse Secondary Classrooms. 2 Units.
Core course concepts and activities include using culturally responsive techniques that contribute to productive learning environments and equitable student outcomes. Preservice teachers in this course survey current discipline and management models and practice research-based strategies designed to promote positive classroom behavior. Establishing and maintaining relationships with families, students, and colleagues are explored as well as practices that contribute to teacher well-being and self-care. Prerequisites: Instructor approval or C & I department permission; minimum 2.5 GPA, fingerprint and TB test clearance.

 EDUC 155. Teaching in the Content Areas I. 3 Units.
This is the first of a three-part course for Single Subject credential candidates to develop professional, reflective practices and abilities for teaching in single subject classrooms, especially in secondary schools. Candidates learn and apply current learning theories to planning, instruction, and assessment, focusing on the general knowledge, skills, and dispositions associated with managing contemporary, culturally diverse secondary classroom environments. Candidates begin to learn about specific subject matter content and pedagogy and a variety of instructional and assessment strategies to benefit all learners. The needs of all secondary school students, including English Learners, and characteristics of the school environment are emphasized for fostering effective teaching and learning.

 EDUC 156. Content and Disciplinary Literacy Development in Secondary Schools. 3 Units.
This course provides an introduction to research-based content literacy instruction. The course focuses on preparing candidates to teach content-based reading and writing skills to a full range of students which includes struggling readers, students with special needs, and English Learners. A variety of content-based literacy strategies (reading, writing, listening, and speaking) is presented to facilitate learning in the content areas. The course meets credential requirements. Prerequisites: EDUC 140, admission to Credential Candidacy, Instructor/Curriculum and Instruction department permission, fingerprint and TB test clearance.

 EDUC 157. TESOL Theory and Practice. 4 Units.
This course provides a link between theory and practice in the teaching of ESL. Aspects of language learning is discussed, and concomitant instruction and curriculum is analyzed while developing a working model for the development of curriculum that is appropriate for the teaching situation.

 EDUC 160. Productive Learning Environments for Diverse Classrooms. 2 Units.
Core course concepts and activities include using culturally responsive techniques that contribute to productive learning environments and equitable student outcomes. Preservice teachers in this course survey current discipline and management models and practice research-based strategies designed to promote positive classroom behavior. Establishing and maintaining relationships with families, students, and colleagues are explored as well as practices that contribute to teacher well-being and self-care. Senior standing or permission of instructor.

 EDUC 161. Literacy Development (Multiple Subject). 4 Units.
This course introduces methods and curriculum for teaching reading and language arts with integration of humanities and social science for students from kindergarten to eighth grade classrooms. The course focuses on theory-based effective instruction of reading, writing, listening and speaking across the curriculum. Students learn to analyze and evaluate effective literacy skills and strategies in teaching reading, writing, listening and speaking to K-8 students, and to apply and practice these skills and strategies in various instructional settings in various content areas. Emphasis is placed on the integration of reading and language arts throughout the curriculum. Twenty-four hours of fieldwork is required. This course is taken prior to Directed Teaching (Professional Practice).Prerequisite: admission to Teacher Education program with fingerprint and TB test clearance.

 EDUC 162. Literacy Assessment (Multiple Subject). 2 Units.
This course investigates the uses of ongoing instructional diagnostic strategies in reading and language arts that guide teaching and assessment. Topics include early intervention techniques appropriate for a classroom setting and guided practice of these techniques. Fieldwork is required and shared with EDUC 161. This course is taken prior to Directed Teaching and may be taken with EDUC 161 concurrently. Prerequisite: admission to Teacher Education with fingerprint and TB test clearance.
EDUC 163. Teaching English Learners. 4 Units.
This course is designed to equip mainstream classroom teachers with the theory, principles, knowledge, and skills to effectively understand and teach English Language Learners at a variety of levels of English proficiency in K-8 classrooms. Teachers will develop appropriate strategies and approaches for developing language proficiency and link their practice to both the California English Language Development Standards and the new Common Core State Standards. Students observe and implement these strategies during their field experiences in order to see, practice, and reflect on effective ways to meet the needs of English learners. Objectives include appropriate assessment, planning, and implementation of sheltered content instruction. Fieldwork hours (160 series fieldwork) specific to this class are required. A grade of C or higher is required for passing this course. Prerequisites: EDUC 100, 140, and 150, or instructor/C & I department permission; minimum GPA of 2.5; Fingerprint and TB test clearance. (ETHC)

EDUC 164. Introduction to Bilingual Education. 4 Units.
This course provides an overview of bilingual education and is designed to meet the needs of both undergraduate and graduate students who are interested in understanding the role of bilingual, bicultural education in schools. Students explore the related implications of second language acquisition research, sociopolitical theory, and historical as well as contemporary experiences in the contexts of program design, instructional practice, and school/community relations toward a conceptualization of bilingual education as a source of pedagogical enrichment strategies for all learners in all settings. Prerequisites: EDUC 100 and EDUC 131. (ETHC)

EDUC 165. Teaching in the Content Areas II. 2 Units.
This is the second of a multi-course series for Single Subject credential candidates to develop professional, reflective practices and abilities for teaching in single subject classrooms, especially in secondary schools. The emphasis in this course is on content-specific practices. Candidates join their respective professional organizations and participate in those organizations’ professional development experiences. In addition to whole class meetings, candidates meet in content-specific seminars with practitioners in their content areas on a regular basis.

EDUC 166. Teaching English Learners, Single Subject. 3 Units.
This course is designed to equip mainstream classroom teachers with the theory, principles, knowledge, and skills to effectively understand and teach English Language Learners at a variety of levels of English proficiency in K-12 classrooms. Teachers develop appropriate strategies and approaches for developing language proficiency and link their practice to the California English Language Development Standards and the new Common Core State Standards. Students observe and implement these strategies during their field experiences in order to see, practice, and reflect on effective ways to meet the needs of English learners. Objective include appropriate assessment, planning, and implementation of sheltered content instruction. Fieldwork hours (160 series fieldwork) specific to this class are required.
