

UNIVERSITY LIBRARY

University Libraries

University Libraries offers personalized experiences that further academic success and scholarly inquiry on the Sacramento, San Francisco, and Stockton campus. Resource collections, research consultation, and digital technology connect people and ideas. Study spaces further a variety of learning styles and teaching activities, from quiet reflection to collaborative work. Special collections houses unique resources, such as the John Muir papers and local history manuscripts. Now, in addition to 300,000 print resources and over 200,000 electronic resources, the libraries offer digital maker space services with 3-D printing, virtual reality software and hardware, and drone research services.
